REACH Declaration

Dear Customer

We are delighted to inform you that ZF Friedrichshafen AG, Electronic Systems meets the requirements of the Global Automotive Declarable Substance List (GADSL) and Regulation (EC) No. 1907/2006 (REACH Regulation; Registration, Evaluation, Authorization and Restriction of Chemicals).

Based on the information provided to us by our suppliers, we confirm that the products shown on the <https://switches-sensors.zf.com> website, do not contain any SVHCs (substances of very high concern) in terms of Article Art 57 of the REACH Regulation with a mass percentage greater than 0.1 %. The concentrations of the substances contained in our products are filed in the IMDS. We regularly compare these concentrations with the ECHA candidate lists (<http://echa.europa.eu/de/candidate-list-table>) and the List of Substances Subject to Authorization, Annex XIV of the REACH Regulation. If SVHCs are present in our products at a mass percentage level greater than 0.1 %, we will inform you immediately in accordance with Article 33 of the REACH Regulation.

In providing this declaration of conformity, we also confirm that the substances contained in our products meet the stipulations of Annex XVII of the REACH Regulation.

Kind regards

ZF Friedrichshafen AG
Electronic Systems
