

Panel Mount Pushbutton Switch

F8 series

Features

- Snap-in panel mounting
- High overtravel
- Choice of standard housing or button barrier
- 3 terminal types
- Double make / break shorting bars
- Agency approved extended life available
- 3 mm (0.12") minimum contact gap

Standard Parts¹

F81A-A120 F82A-A120 F81X-A120 F82X-A120

¹The part number configuration matrix below provides details to the part numbers above.

For configurable part numbers that are not listed above, not listed in your region, or for custom part numbers, contact the factory or your distributor: switches-sensors@zf.com
